TOGETHER WE CAN ACHIEVE MORE

Helping together – your donations go **DIRECTLY** to the refugee families and children of our established Ukrainian network!

BISTRO BOUTIQUE

True to the motto "TOGETHER WE CAN ACHIEVE MORE" we are opening our Bistro Boutique at the BELLTREE TOWER in Schlieren. It is meant to be a meeting place – for newly arrived Ukrainians and Ukrainians who have been living in Switzerland for some time – where the refugees can find donated clothes, shoes, children's toys, etc.

In our bistro with drinks and snacks, we have created the space for information and cultural exchange between Switzerland and Ukraine as well as for making useful connections.
